------------------------	---

Descriptive note: None

Display conditions: None

Date of entry in Register: 24 July 2017

Date of direction to issue a label: No direction to issue a label has been issued

Date of notice of decision: 24 July 2017

Summary of reasons for decision:

The computer image file is an explicit image of sexual activity. A restriction to adult viewers is required in order to prevent injury to the public good from premature exposure of younger viewers to adult sexual material. While this restriction limits the right to freedom of expression as provided by the New Zealand Bill of Rights Act 1990, it is considered reasonable and demonstrably justifiable in the interest of preventing likely injury to the public good.
